## Section 1: Introduction

### Welcome

This user guide details the steps needed to make an online payment through the PAePay Online Case Payments Web site. The PAePay Online Case Payments site on the UJS Portal allows the public to securely pay fines, costs, and restitution to the Commonwealth of Pennsylvania's Common Pleas and Magisterial District courts. This site displays only court financial obligations approved for online payment. You may have other outstanding financial obligations with the courts of the Commonwealth of Pennsylvania.

This payment system currently accepts case payments for participating counties only. Visa, MasterCard, Discover, American Express and ATM/Debit cards are accepted for payment. For more information on terms and conditions, please refer to the [Disclaimers and Terms of Use](#) on page 17.

### Site Requirements

The Pennsylvania Unified Judicial System (UJS) Portal Web site requires a current Internet browser with Javascript and cookies enabled to access the e-Services functions. Other browsers and browsers without Javascript and cookies enabled will see graphical errors or may be denied access completely. If results do appear, they will be returned in a grid below the SEARCH and CLEAR buttons. Review the results to determine if the cases you need have been returned in the search. For payment plans, the different cases included in each plan will also appear which will help in verifying the information. - Viewing the Court Summary Report for each case that appears. (Not available for all case types.)
- Adding the case or payment plan to the shopping cart.

### **Viewing the Docket Sheet**

[Docket Sheets](#) can be useful in determining if a case in the grid is the one on which you intend to make a payment. To view a docket sheet for any Common Pleas or Municipal Court case in the grid, hover your mouse over the Preview icon to the left of the docket number to display an option menu. Click on Docket Sheet in the options menu. Docket sheets are not available for Juvenile Delinquency cases returned in a search. In addition, if a payment plan includes a Juvenile Delinquency case, docket sheets cannot be viewed for any other cases included in the payment plan.

---

## Section 2: Searching for Cases

To view a Docket Sheet for any Magisterial District Court case in the grid, click on the Preview icon to the left of the docket number.

The Docket Sheet opens in a new window with Adobe Reader. In newer Internet browsers, the Docket Sheet may open in a new tab. Once open, it can be viewed on the screen, saved or printed. When finished, close the window or tab displaying the Docket Sheet to continue.

### **Viewing the Court Summary Report**

In addition to a Docket Sheet, some case types in the Court of Common Pleas and Municipal Court will also have a [Court Summary Report](#) available. Court Summary Reports will display information about all of a defendant's cases. Court Summary Reports are not available for Juvenile Delinquency cases. In addition, if a payment plan includes a Juvenile Delinquency case, Court Summary Reports cannot be viewed for any other cases included in the payment plan.

To view the Court Summary Report, hover your mouse over the Preview icon to the left of the docket number of any Court of Common Pleas or Municipal Court case to display an options menu. Click on Court Summary Report in the options menu.

The Court Summary Report opens in a new window with Adobe Reader. In newer Internet browsers, the Court Summary Report may open in a new tab. Once open, it can be viewed on the screen, saved or printed. When finished, close the window or tab displaying the Docket Sheet to continue. This report is not available for Magisterial District Court cases.

### **Adding a Case to the Shopping Cart**

In order to make a payment on a case, it must be added to the [shopping cart](#).

To add a **case** to the shopping cart, select the checkbox appearing to the left of any case or citation that you need to pay. Click ADD TO CART.

To add a **payment plan** to the shopping cart, select the checkbox appearing next to the payment plan number. Click ADD TO CART.

If you have selected an undeposited traffic citation on which to make a payment, you will be taken to a notification screen. The payment of traffic citations on the PAePay Online Case Payments System constitutes a waiver of a court hearing and the entry of a plea of guilty. If you do not wish to plead guilty, you will not be able to use the PAePay Online Case Payments System and you must attend your scheduled hearing. Therefore, click DECLINE on the notification page to return to your selected search option. Otherwise, to agree to waive your court hearing and continue making the payment, click ACCEPT. If you have any questions about your citation, contact the court office where the citation is filed.

When you access the shopping cart, you have the option to add other cases or payment plans to the shopping cart or continue to checkout. For more information on using the shopping cart, see [Section 3: Making Payments](#) on page 9.

## Section 3: Making Payments

After selecting cases on which to make a payment and clicking ADD TO CART, you will be taken to the shopping cart page. The shopping cart provides the ability to specify the amount to pay on a case or payment plan (if applicable), remove any cases or payment plans that will not be paid and add additional cases or payment plans on which to make a payment. After specifying the payments on all cases, you will proceed to checkout where the payment method is entered.

This section includes:

[Shopping Cart](#) (pg. 9)

[Adding additional cases or payment plans to the shopping cart](#) (pg. 10)

[Checking out](#) (pg. 10)

### Shopping Cart

The shopping cart displays the cases or payment plan selected on the search screen in a table. The table displays the docket number of the case or the payment plan number, description, and the current balance on the case or payment plan. Next to the balance for each case or payment plan listed in the table is the Amount to Pay column.

If you added an individual case to the shopping cart and the case is part of a payment plan, then the entire payment plan is added to the shopping cart. If there is more than one case included in the payment plan, you cannot make payments on the individual cases. For more information, see the [Disclaimers and Terms of Use](#) on page 17.

When a **payment plan** is in the shopping cart, the following information is displayed in the shopping cart:

- Description – lists the cases included in the payment plan, case caption, amount due and the due date. For payment plans that include Juvenile Delinquency cases, the case captions of all cases in the payment plan are redacted. If the payment plan is one or more months overdue, the amount due includes the total overdue amount.
- Current Balance – reflects the total balance due on all cases for the remainder of the duration of the payment plan. This amount is shown in case you wish to pay more than the minimum amount due.
- Amount to Pay – defaults to the minimum amount due on the payment plan. If the payment plan is one or more months overdue, the Amount to Pay defaults to the total overdue amount.

---

## Section 3: Making Payments

To make a payment on a case or payment plan in the shopping cart, perform the following steps:

1. **Enter the amount you intend to pay in the Amount to Pay column, or leave the defaulted amount if you are paying the amount displayed.** If more than one case or payment plan is displayed in the grid, ensure an amount is entered for each item. When specifying the amount, take note of the following:
  - On a citation, you will not be able to pay less than the entire balance.
  - You will not be able to pay more than the total balance of a case or payment plan.
  - The total of your entire payment cannot exceed \$1000.
  - For more information on these limitations and other provisions, see [Disclaimers and Terms of Use](#) on page 17.
2. If a case or payment plan is listed in the shopping cart and you do not wish to make a payment on it, click REMOVE to clear it from the shopping cart.
3. **Either return to the search to add additional cases to the shopping cart or proceed to checkout.** To search for more cases, see [Adding Additional Cases to the Shopping Cart](#). To proceed to checkout, see [Checking Out](#).

### **Adding Additional Cases to the Shopping Cart**

To add more cases or payment plans to the shopping cart that need payment, click ADD ANOTHER. Any amounts entered in the shopping cart will be saved and you will be returned to the PAePay home screen to begin a new search. For more information, see [Selecting the Search Type](#) on page 2.

After selecting more cases or payment plans and adding them to the cart, you will be returned to the shopping cart screen where the amounts to pay on the new items can be specified. Repeat the steps of searching, adding to the shopping cart, and specifying payment amounts until all cases or payment plans needing payment are displayed in the cart.

### **Checking Out**

After all cases or payment plans needing payment are displayed in the shopping cart and the payment amount has been specified for each, you will need to proceed to checkout. This will initiate the process of gathering information needed for payment, including payment method, billing address and contact information.

To process your payment, perform the following steps:

## Section 4: Additional Information

### Terminology

#### Court Summary Report

An official report from the court that provides information on all of a defendant's cases statewide. Contents include defendant information, a list of cases and their status, case information, attorney information, last action, and a list of all charges and dispositions.

#### Docket Sheet

An official report from the court that provides a detailed statement of actions and filings for a single case. Contents include case information, related cases, a history of calendar events/court dates, a list of charges, docket entries, case financial information, and disposition and sentencing information if the case has been adjudicated.

#### Shopping Cart

The shopping cart saves any cases or payment plans selected and payment amounts entered and allows the user of the system to continue to search for and add additional cases that need payment.

#### Sliding Fine

A penalty for an offense which carries a minimum to maximum fine amount that will be determined by a judge at a hearing.

### Troubleshooting

#### **I can't find my case or payment plan:**

If you cannot find your cases, it may be due to one of the following reasons:

- The information being entered for a search cannot be matched to a case in the selected county, or, if searching by docket number, an invalid docket number has been entered.
- The case or payment plan does not have a balance remaining.
- The case is in a county that has not opted to accept online payments for the type of case on which you are attempting to make a payment. For example, some counties do not accept online payments for Juvenile Delinquency cases. A complete listing of the case types and categories that can be paid online for each county can be found through the PAePay main page.
- The case is sealed or one or more cases in a payment plan are sealed.
- The case is pending expungement or one or more cases in a payment plan are pending expungement.
- The defendant or responsible participant on a Criminal, Summary or Summary Appeal case or one or more cases of these types in a payment plan is a minor.

- The defendant or responsible participant on a Criminal, Summary or Summary Appeal case or one or more cases of these types in a payment plan is not a minor but retains a protected status for other reasons.

If you believe one of these situations does not apply to you and you cannot find your case, please contact the court of jurisdiction for your case or payment plan.

### **Why can't I make a payment on a case?**

There may be several reasons why you will be unable to make a payment on a case. These include:

- A payment cannot be made on a traffic case in which the total amount due is not specified. This is known as a [sliding fine](#).
- The case includes an offense that carries a mandatory sentence of imprisonment.
- Payments cannot be applied on individual cases if the case is part of a payment plan.
- Payment plans through a MDJ district court that have been referred to a collection agency for delinquent payments cannot be paid through the PAePay system. You must contact the collection agency for payment.
- District courts or court offices reserve the right to restrict individuals from making electronic payments.
- District courts or court offices reserve the right to restrict individual cases from being paid through the PAePay Online Case Payments System.

If you believe one of these situations does not apply to you and you cannot find your case, please contact the court of jurisdiction for your case or payment plan.

### **Can I specify the date on which the payment will be applied?**

The date on which an online payment will be applied cannot be specified. The processing of the payment begins as soon as the payment is submitted. As a result, scheduling future payments is not permitted, nor can any payments be applied as collateral or a down payment. Processing time is dependent on the court processing the payment. For more information, see [Timeliness of Payments – Case Balances/Posting](#) on page 19. Please submit payments that are time-sensitive with enough time to process the payments. Payments submitted without sufficient processing time may not prevent further court action.

### **Why does my case show a zero balance?**

One of two possibilities may exist:

- The case is a Magisterial District Court Traffic, Non-Traffic or Criminal case that has been transferred to the Court of Common Pleas.
- The case is an undisposed Magisterial District Court Traffic case. The balance will not show until the case is added to the shopping cart.

---

**Section 4: Additional Information****My payment plan is not showing all of my cases.**

This may occur when a case included in the payment plan is a type of case (Case Category) that the county has not opted into for online payment. However, because the case with that Case Category is included in a payment plan, the total amount due on the payment plan does reflect any balance due for any case that cannot be displayed.

**Why can't I change the amount to pay on a case?**

One of the following circumstances may apply:

- Filing fees cannot be edited.
- Citations must be paid in full. No partial payments are permitted.

**I paid online and then I received a delinquency notice in the mail.**

Online payments may take several business days to process. Please submit any payments that are time-sensitive with enough time to process payments. For more information, see [Disclaimers and Terms of Use](#) on page 17.

**I accidentally paid on the wrong case or payment plan. What can I do?**

Please contact the court of jurisdiction for your case or payment plan.

**Is my credit card information saved?**

Credit card information that is entered for online payment will not be saved. You will have to enter your credit card information each time you make a payment, regardless if you have previously used the PAePay Online Case Payments System.

**I am getting a message that I cannot make a payment on a case or payment plan. What's happening?**

There are two possibilities:

- District courts or court offices reserve the right to restrict individuals from making electronic payments.
- District courts or court offices reserve the right to restrict individual cases from being paid through the PAePay Online Case Payments System.

Any payments pending processing by an individual court will have no effect on a previously issued warrant in one's case or the suspension of one's driver's license. The AOPC is not responsible for any possible suspension of your driver's license due to delays caused by: a) the unavailability of this payment system; or b) any processing delays incurred by the Common Pleas or Magisterial District Courts. If you plead guilty and wish to appeal, you have thirty (30) days to file an appeal for a trial in the Court of Common Pleas.

You will not be permitted to enter a guilty plea and submit payment of a traffic citation in which the total amount due is not specified, or the offense with which you are charged carries a mandatory sentence of imprisonment, for example, a violation of 75 Pa.C.S. § 1543(b) (Driving while operating privilege is suspended or revoked).

The processing of payments is dependent upon the individual court to which the payment has been made. Case balances will not be updated until payments are processed by the court. Any payments pending processing by a court will have no effect on a previously issued warrant in one's case or the suspension of one's driver's license. ### Case Availability

For a case to be returned in the search results it must meet the following criteria:

- For Magisterial District courts, the case has a docket type of Traffic (TR), Non-Traffic (NT), or Criminal (CR).
- For Common Pleas courts, the case has a docket type of Criminal (CR), Juvenile: Delinquency/Certified (JV), Miscellaneous (MD) or Summary Appeal (SA). Not all counties accept payments on Juvenile: Delinquency/Certified (JV) or Miscellaneous (MD) cases.
- For Municipal Courts, the case has a docket type of Criminal (CR) or Summary (SU).

In addition to the restrictions outlined in [Search - County/Court Participation](#) regarding county and court participation, the following criteria will prohibit a case/payment plan from being returned in the case search:

- The case/payment plan has a zero or negative balance, except for certain cases that have been identified for prepayment for entry into a diversionary program. If you have been entered into a diversionary program, check with the court of jurisdiction on your case on the ability to make prepayments online.
- The case is sealed.
- The defendant is a minor (for Criminal (CR), Summary (SU), and Summary Appeal (SA) docket types only).
- The case/payment plan has a redacted caption (for Criminal (CR), Summary (SU), and Summary Appeal (SA) docket types only).
- The case is pending expungement.

### Additional Notes

No one from the court will ever contact a user by phone and ask for payment or credit card information.

Timely payment processing is dependent on the Court receiving payment. Factors that may impact processing time include nights, weekends, and government holidays.
